Class Descriptions

Cardio Kickboxing Mixx is a fun and interesting way to keep fit and burn calories. An intense, high-energy workout for the entire body and is intent on movements that raise the heart rate for effective calorie burning.

Zumba features exotic rhythms set to high-energy Latin and international beats. It's easy to do, effective and totally exhilarating.

Stretch 'N Flex is a gentle form of yoga. Our muscles need proper stretching to help improve flexibility and balance. This is a great class for all fitness levels.

Tabata Circuit get fit fast in this full-body functional workout. Each 20 minute circuit includes rounds consisting of 3 minutes strength + 2 minutes core + 1 minute cardio. Rounds include TRX, kettlebells, kickboxing, plyometrics, etc. Class is led by a group exercise instructor who will modify movements for beginners and seasoned athletes. Burns more calories & fat than cardio and weight training alone! Choose to stay for 20 minutes or 1 hour!

Muscle Pump is total body strength training helps develop complete muscular systems that can burn calories and fat, promote healthy posture and boost a healthy lifestyle. Work at your own level within a class setting.

Pilates is focused on building strength without bulk, improving flexibility and agility, and helping to prevent injury. It involves a series of controlled movements that engage both your body and mind.

"Spin-Off" builds strength and improves cardiovascular efficiency as your instructor coaches you through the ride of your life using specially designed stationary cycles. Suited for all fitness levels.

"Spin-Off Flex" adds 15 minutes of strength training & stretching after 45 minutes of cycling.

Tabata/Tabata Express is a high intensity interval training for a total body work out. Uses different modalities of functional fitness. Continue to burn fat after you've left the gym!

Tabata Barre Best of Barre~Tabata style!

Barre Above™ is a fun and dynamic workout fusing the best of Pilates, yoga, aerobics and strength exercises. Results in overall flexibility, balance & body strength. Sculpt your body into amazing shape!

Yoga is a fluid blend of alignment principles and techniques linking breath with motion to increase flexibility and elongate muscles.

Stretch 'n' Flex is a gentle form of yoga.
