## Class Descriptions

**Balance N Motion** is a fluid blend of alignment principles and techniques linking breath with motion to increase flexibility and elongate muscles. Correct your posture and improve balance as well as ease tension and stress.

**Build N Sculpt** is a body strength and sculpting class that works the upper, lower body and core using free weights to increase physical strength and endurance. Builds lean, toned muscle. A total body shaping class!

**Cardio Kickboxing** is a fun and interesting way to keep fit and burn calories. An intense, high-energy workout for the entire body and is intent on movements that raise the heart rate for effective calorie burning.

**CSS Early Birds** Michelle leads you through 20 mins each of **Cardio** (walk/cycle), **Strength**, (bells, bands, TRX) and Science Of **Stretching™**. Understand inflammation & oxidative stress. New challenges every month.

**Muscle Pump** is total body strength training helps develop complete muscular systems that can burn calories and fat, promote healthy posture and boost a healthy lifestyle. Work at your own level within a class setting.

**Mystery Monday Fitness** YOU are invited to kick start your week with a mystery workout. Stay motivated in a group environment and enjoy a different workout every Monday with exercises designed for beginners to advanced.

**Pilates** is focused on building strength without bulk, improving flexibility and agility, and helping to prevent injury. It involves a series of controlled movements that engage both your body and mind.

**"Spin-Off"** builds strength & improves cardiovascular efficiency as your instructor coaches you through the ride of your life! Did you know that cycling burns a ton of calories while also being easy on your joints? Suited for all fitness levels.

**Tabata** is a high intensity interval training for a total body work out. Uses different modalities of functional fitness. Continue to burn fat after you've left the gym!

**Tabata Barre** Best of Barre~Tabata style!

**Total Strength Fitness** Strengthen your whole body using kettlebells, dumbbells, resistance bands and body weight. Tone up, burn fat, and gain stability in this weight training class. Great for all exercise levels!

**TRX™** Relieve back pain, reduce stress, improve grip & core strength with total body TRX. Ceiling-suspended training is popular because pulling & pushing exercises condition muscles essential to posture, flexibility & daily body function.
